UK-Cambridge Study Tour

[Overview] Students will visit cities in the UK (London and Cambridge). They will visit and participate in classes and will also do fieldwork for their "Theme-based Research". Students must use English for communication. This will improve their English ability and provide them with a chance to communicate in an international society. 2 male students and 3 female students joined this program.

June 24 - It took 20 hours to arrive in London.

June 25 - Students divided into 2 groups to do the research for their studies. We all gathered again at Tate Modern.

June 26 – Students are going to Cambridge today.

June 27 – We had interactions with High School students in CVC.

June 28 – Students did an Individual Research Presentation in front of the teachers in CVC.

June 29 – Sightseeing tour in Cambridge. Photo in front of the place where Charles Darwin lived.

June 30 – Students joined the Open Campus to experience student life in England.

July 1 – The students are on their way to the airport.

July 2 – Back to Japan.
