Artmile-International Intercultural Mural Exchange Exhibition at JICA Kansai (July 1 – August 10, 2016)							
The artwork we have done with Le Likès, which is a High School in France, is now able to be seen at JICA Kansai. The theme of the artwork is "Water Management".							
More than 29 countries and 139 schools participated in this program last year. From this, 8 art murals will be displayed in JICA Kansai from July 1 – August 10, 2016. More than 139 schools from 29 countries joined this							
project last year, and 8 art murals can be seen there. JICA has been supporting both the developing countries children and the Japanese students to have a chance to do the cooperative studies. The art mural is the							
compilation of their cooperative studies.
